<u>Assets</u>

As of December 31, 2024, Total assets were £519.2 million (December 31, 2023: £492.9 million).

Non-current assets amounted to £392.3 million compared to £399.7 million at year-end 2023.

The majority of the balance concerns **Goodwill** of total amount £321.0 million (December 31, 2023: £320.9 million) and **Intangible Assets** of amount £59.8 million (December 31, 2023: £68.0 million). Goodwill as of December 31, 2024 includes the goodwill recognised in relation to DP Cube Learning acquired in March 2024.

Current assets increased to £126.9 million as of December 31, 2024 from £93.3 million as of December 31, 2023.

This variation is mainly attributed to the increase in Cash and cash equivalents by £27.9 million.

Changes in cash and cash equivalents are analyzed in the accompanying consolidated statement of cash flow. At this point, it should be noted that protecting the Group's financial health continues to be primary objective.

As of December 31, 2024, the Group has positive net assets of £238.6 million (December 31, 2023: £197.5 million) remaining on track to building wealth.

During March 2025 the Board of Directors of PeopleCert Wisdom Limited ('PCW') discussed and approved payment of a final 2024 dividend of £5.35 million to its parent company PeopleCert Wisdom Holdings Limited. The dividend is being paid in connection with a dividend of the same amount by the indirect parent company of PCW, PeopleCert Holdings UK Limited ('PCHUK'), which was approved by the Board of PCHUK on 19 December 2024. This comes in addition to the £6.7 million dividend distributed in 2024 from PCW.

Total liabilities decreased by -£14.8 million (December 31, 2024: £280.6 million vs December 31, 2023: £295.4 million).

The aforementioned decrease is mainly driven by the decrease in **Borrowings** by £12.1 million (December 31, 2024: £253.0 million vs December 31, 2023: £265.1 million) mainly due to the effect of the change in spot rates (December 31, 2024: 1.2060 vs December 31, 2023: 1.1507).

Trade & other payables decreased at £0.1 million as of December 31, 2024 (December 31, 2023: £10.7 million).
